INDEPENDENT AUDITORS' REPORT

To the Members of Gayatri Energy Ventures Private Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the Standalone Financial Statements of Gayatri Energy Ventures Private Limited ("the Company"), which comprise the Standalone Balance Sheet as at 31st March, 2023, and the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows for the year then ended, and notes to the Standalone Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2023, and the loss and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on financial statements.

Emphasis of Matter

(Note Nos. referred hereunder are with reference to respective notes forming part of Standalone Financial Statements)

We draw member's attention to the following matters:

- (i) As stated in note 18.3, regarding the conversion of Compulsory Convertible Debentures (CCDs) to Optionally Convertible Debentures (OCD's) and redemption of the OCD's from the sale of investment held in NCCIHL via assignment agreement.
- (ii) As stated in note 18.8, regarding the recoverability of the investment made and the unsecured loan given to the subsidiary company, Bhandara Thermal Power Corporation Limited (BTPCL), wherein IDBI Bank, a lender of the Ultimate Holding Company, Gayatri Projects Limited (GPL), had issued SARFAESI notices and taken possession of the land held by BTPCL, in view of default of loan by

GPL, as the said land was given as collateral for the loan taken by GPL. The said land has been sold by IDBI Bank under SARFAESI during the subsequent financial years and the effect of which shall be given in the financial statements of the subsequent financial years.

Our opinion is not modified in respect of the above matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and analysis, Boards Report including annexures to Board's Report, Business responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of Management and those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current

period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1) As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Gayatri Energy Ventures Private Limited ("the Company") as of 31st March, 2023 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that

A handwritten signature in blue ink, consisting of a stylized, cursive script that appears to be the initials "MCA".

transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note 1: Corporate information and Significant accounting policies
Corporate information

Gayatri Energy Ventures Private Limited ("the Company") is a Private Company domiciled in India, having its registered office at B1, 6-3-1090, TSR Towers, Raj Bhavan Road, Somajiguda, Hyderabad-500 082. The company is incorporated to invest in power projects/ power companies and enter into joint ventures by way of subscription to the shares, to carry on in India or elsewhere the business to generate, receive, produce, improve, buy, sell, resell, to deal in power.

Significant accounting policies

This note provides a list of the significant accounting policies adopted in the preparation of these Standalone Financial Statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

(i) Basis of preparation

a. Compliance with Ind AS

The Company's Financial Statements have been prepared to comply with generally accepted accounting principles in accordance with the Indian Accounting Standards (herein after referred to as "Ind AS") as notified by the Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act 2013 ("the Act") read with rule 3 of the Companies (Indian Accounting Standards) Rules 2015 and Companies (Indian Accounting Standards) Amendments rules 2016.

b. Basis of preparation and presentation of Financial Statements

The Financial statements are prepared on accrual basis following the historical cost convention except in case of certain financial instruments which are measured at fair values. The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed under Schedule III to the Act. The Statement of Cash Flows has been prepared and presented as per the requirements of Indian Accounting Standard (Ind AS) - 7 on "Statement of Cash Flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in Schedule III to the Act, are presented by way of notes forming part of the financial statements along with other notes required to be disclosed under the notified Ind AS. Further, the guidance notes/announcements issued by the Institute of Chartered Accountants of India (ICAI) are also considered, wherever applicable. Accounting Policies have been consistently applied except where a newly issued Accounting Standard is initially adopted or a revision to an existing Accounting Standard requires a change in the accounting policy used previously.

Fair value for measurement adopted in these financial statements is determined on such a basis, except leasing transactions that are within the scope of Ind AS 17, Net Realizable value as per Ind AS 2 or value in use as per Ind AS 36. Fair value measurements under Ind AS are categorized as below based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the Asset or Liability.

(ii) Use of estimates

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the

date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

(iii) Revenue Recognition

Revenue from Operations:

Revenue from operations includes profit on sale of investment.

Other Income

Interest income is accounted on accrual basis as per applicable interest rates and on time proportion basis taking into account the amount outstanding.

(iv) Foreign Currency Transactions

- (a) The reporting currency of the company is Indian Rupee.
- (b) Foreign exchange transactions are accounted at the rates prevailing on the date of the transactions.
- (c) Monetary assets and current liabilities related to foreign currency transactions remaining unsettled at the end of the year are translated at year end rates. The difference in translation of monetary assets and liabilities and realized gains and losses on foreign exchange transactions are recognized in the Statement of Profit and Loss.
- (d) Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss.

(v) Financial Instruments

Financial Assets and Financial Liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial Assets and Financial Liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of Financial Assets and Financial Liabilities (other than Financial Assets and Financial Liabilities at fair value through profit or loss) are added to or deducted from the fair value of the Financial Assets or Financial Liabilities, as appropriate, on initial recognition.

(vi) Financial Assets

Financial Asset is any Asset that is -

- (a) Cash
- (b) Equity Instrument of another Entity,
- (c) Contractual right to -
 - (i) receive Cash / another Financial Asset from another Entity, or
 - (ii) exchange Financial Assets or Financial Liabilities with another Entity under conditions that are potentially favourable to the Entity.

Investment in Equity Shares issued by Subsidiary and Associate are carried at cost less impairment.

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and

the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Company has made an irrevocable election for its investments, other than those stated above, which are classified as equity instruments to present the subsequent changes in fair value in other comprehensive income based on its business model. Further, in cases where the Company has made an irrevocable election based on its business model, for its investments which are classified as equity instruments other than those stated above, the subsequent changes in fair value are recognized in other comprehensive income.

A financial asset which is not classified in any of the above categories is subsequently fair valued through profit or loss.

(vii) Impairment of Financial Assets

In accordance with Ind AS 109, the Company applies the expected credit loss ("ECL") model for measurement and recognition of impairment loss on financial assets and credit risk exposures. The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. Simplified approach does not require the Company to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition. For recognition of impairment loss on other financial assets and risk exposure, the Company determines whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12-month ECL. ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date. ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/expense in the Statement of Profit and Loss.

(viii) Financial Liabilities

Financial liabilities are recognized at fair value net of transaction costs and are subsequently held at amortized cost using the effective interest rate method.

Financial liabilities carried at fair value through profit and loss are measured at fair value with changes in fair value recognized in the Statement of profit and loss.

In case of compound financial instruments, the entity recognises separately the components of a financial instrument that (a) create a financial liability for the entity and (b) grants an option to the holder of the instrument to convert it into an equity instrument of the entity.

The initial carrying amount of a compound financial instrument is allocated to its equity and liability components, the equity component is assigned with the residual amount after deducting from the fair value of the instrument as a whole, the amount separately determined for the liability component.

Transaction costs that relate to the issue of a compound financial instrument are allocated to the liability and equity components of the instrument in proportion to the allocation of proceeds.

Debentures issued are measured at amortized cost using the effective interest rate method.

For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate the fair value due to the short maturity of these instruments.

(ix) De-recognition of Financial Instruments

A Financial Asset is derecognized when the right to receive cash flows from the asset has expired or the company has transferred substantially all the risks and rewards or the right to receive the cash flows under a contractual arrangement or has transferred the asset.

A Financial Liability is derecognized when the obligation under the liability is discharged or cancelled or expires. In the case where the existing liability is replaced by another liability either from the same lender or otherwise such an

exchange is treated as de-recognition of the original liability and recognition of a new liability. Any change in the carrying amount of a liability is recognized in the Statement of Profit and Loss.

(x) Borrowing Costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are those that necessarily take a substantial period of time to get ready for their intended use or sale.

Income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing cost that is eligible for capitalization.

Other borrowing costs are expensed in the period in which they are incurred.

(xi) Earnings Per share

Basic earnings per equity share is computed by dividing the net profit attributable to the equity shareholders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

(xii) Provisions and Contingent Liabilities

- (a) A provision is recognized if, as a result of a past event, the company has a present legal or constructive obligation that can be reasonably estimated, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.
- (b) Contingent Liabilities are present obligations arising from a past event, when it is not probable or the probability is remote that an outflow of resources will be required to settle the obligation and they are not recognized but are disclosed in the notes forming part of the financial statements.

(xiii) Taxes

Income tax expense is recognized in the statement of profit and loss except to the extent that it relates to items recognized directly in equity, in which case, it is recognized in other comprehensive income. The income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted as on the balance sheet date.

(xiv) Statement of Cash Flows

Statement of Cash Flows is prepared by segregating the cash flows from operating, investing and financing activities. Cash flow from operating activities is reported using the indirect method. Under the indirect method, the net profit is adjusted for the effects of:

- (a) transactions of a non-cash nature;
- (b) any deferrals or accruals of past or future operating cash receipts or payments;
- (c) items of income or expense associated from investing or financing cash flows; and
- (d) Cash and cash equivalents (including bank balances) are reflected as such in the Statement of Cash Flows.

(xv) Impairment of Non-Financial Assets

As at each Balance Sheet date, the Company assesses whether there is an indication that a non-financial asset may be impaired and also whether there is an indication of reversal of impairment loss recognized in the previous periods. If any indication exists, or when annual impairment testing for an asset is required, the Company determines the recoverable amount and impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount.

Recoverable amount is determined:

- (a) In case of an individual asset, at the higher of the Assets' fair value less cost to sell and value in use; and
- (b) In case of cash generating unit (a group of assets that generates identified, independent cash flows), at the higher of cash generating unit's fair value less cost to sell and value in use.
- (c) In assessing Value in Use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specified with the asset. In determining fair value less cost to sell, recent market transactions are taken into account. If no such transaction can be identified, an appropriate valuation model is used.

Impairment losses of continuing operations, including impairment on inventories, are recognized in the Statement of Profit and Loss, except for properties previously revalued with the revaluation taken to Other Comprehensive Income (OCI). For such properties, the impairment is recognized in OCI up to the amount of any previous revaluation. When the Company considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognized, then the previously recognized impairment loss is reversed through the Statement of Profit and Loss.

(xvi) Cash and Cash Equivalents

Cash and cash equivalents include cash, bank balances, fixed deposits and margin money deposits.

(xvii) Commitments

Commitments are future liabilities for contractual expenditure.

Commitments are classified and disclosed as follows:

- (a) Estimated amount of contracts remaining to be executed on capital account and not provided for;
- (b) Uncalled liability on shares and other investments partly paid;
- (c) Funding related commitment to subsidiary, associate and joint venture companies and
- (d) Other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management.
- (e) Other commitments related to sales/procurements made in the normal course of business are not disclosed to avoid excessive details.

18. Other Notes forming part of the Standalone Financial Statements

18.1 Employee Benefits

The Company has no liability for employee benefits, in accordance with the provisions of Ind AS – 19 “Employee Benefits”. Hence, no provision has been made in the books of accounts.

18.2 In the absence of profits, the Company has not created Debenture Redemption Reserve as stipulated in the Companies Act, 2013.

18.3 During the year on 28/12/2022, the company was required to convert 16,19,928 Compulsory Convertible Debentures (CCDs), issued to NCC Infrastructure Holdings Limited (NCCIHL) into equity shares (1:1) within a period of five years of the company as per the terms of the Share Purchase Agreement (SPA). However, due to unforeseen circumstances and pending legal compliances, the conversion could not be completed within the stipulated timeline and the debentures were due as at 31/03/2023. During the Financial year 2023-24 based on mutual discussions with the debenture holder, the subsidiary company had restructured the CCD'S to 0.01% Optionally Convertible Debentures (OCD's) with a redemption price of ₹ 1483 per debenture or to convert into 16,19,928 equity shares of the company at a Face Value of ₹ 10 per share as per conversion ratio of 1:1. The debenture holder and the company had agreed for redemption of the debentures and pursuant to the same the company had sold its investment held in NCCIHL of ₹ 28,969.35 Lakhs to NCC Limited for ₹ 24,023.53 Lakhs thereby incurring a loss of ₹ 4,945.82 lakhs on sale of Investment. Further based on assignment agreement between the subsidiary company, NCC, NCCIHL, the amount receivable from NCC Limited pursuant to the sale of the investment of ₹ 24,023.53 lakhs was assigned towards the redemption of OCD held by NCCIHL of ₹ 24,023.53 Lakhs. Further the interest accrued on the said debentures was waived by NCCIHL. As stated above, the impact of the same shall be recognized in the financial year 2023-24.

18.5 During the preceding financial years, the company had made an investment/ advance/ share application money to Jinbhuvish Power Generation Private Limited (“JPGPL”) which had planned to set up a coal-based power plant in Maharashtra and as at 31st March, 2023 the total amount infused in the form of investment/advance/share application money is ₹ 5,544.45 lakhs. The Company had decided to exit from the said power project and in this regard entered into an Exit Agreement, which was subsequently amended by various letter agreements. As there is a significant delay in exiting from the above company, the management has written off/ provision for credit loss the amounts invested in the said company. Further, the holding company of the company has provided Bank Guarantee in favor of Western Coalfields Limited (“WCL”) on behalf of JPGPL towards coal linkage / allotment to the proposed power plant. WCL has enquired the bank guarantee on 05.04.2022 for ₹ 2,421.10 lakhs which in the opinion of the management of the company & holding company is completely illegal and grossly incorrect. The company is in the

process of taking proper legal recourse against the purported and unusual act of the said WCL. However, the management as a matter of prudence has made a provision of the entire BG amount encashed in the financial statements for the year ended 31st March, 2023.

- 18.6 During the financial year 2022-23, the company's right to exercise call option for purchase of additional shares in Sembcorp Energy India Limited (SEIL) has expired and accordingly the fee paid for the same was written off. Further based on agreements entered during the previous years the company is in discussions with SEIL for finalizing the earnouts receivable from sale of shares held in SEIL in view of "liquidity event" and as at 31st March 2023 the discussions are ongoing.

18.8 Bhandara Thermal Power Corporation Limited (BTPCL), a wholly owned Subsidiary Company incorporated to build, own and operate coal-fired power plant in India in which the Company had invested Equity Share Capital of ₹495.78/- lakhs and also infused an unsecured loan of Rs ₹ 8,598.05/- lakhs as at 31st March 2023. The subsidiary company had proposed the construction of power plant in Bhandara district of Maharashtra, India and acquired 622.93 Acres of land, but the said construction of power plant has not commenced due to various factors such as pending coal allotment, pending clearances & approvals from various authorities, delay in acquisition of complete land required for the project due to local factors., etc. The management of the company is in the opinion of not to proceed with the construction of the project by analysing the macro-economic conditions, future outlook and cost revenue feasibility of thermal power projects and other factors. The said land was pledged/given collateral towards loan obtained by Gayatri Projects Limited (GPL) (Ultimate Holding Company), and as GPL had defaulted in repayment of its loans, IDBI bank has issued SARFARESI notices to the company and GPL, for recovery of the loan amounts due. Based on the information available with the company, during the FY 2025-26 IDBI Bank had sold the land via SARFARESI, and accordingly effect of the same shall be given in the subsequent financial year.

18.12 Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Company. The Company strives to safeguard its ability to continue as a going concern so that they can maximize returns for the shareholders and benefits for other stake holders. The aim is to maintain an optimal capital structure and minimize the cost of capital.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may return

capital to shareholders, issue new shares or adjust the dividend payment to shareholders (if permitted). Consistent with other entities in the industry, the Company monitors its capital using the gearing ratio which is total debt divided by total equity.

18.13 Financial risk management objectives and policies

The Company's activities expose it to a variety of financial risks like market risk, credit risk and liquidity risks. The Company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

(a) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk. Major financial instruments affected by market risk, includes loans and borrowings.

(i). Interest rate risk

Majority of the Non-current (Long Term) borrowings of the Company bear fixed interest rate with coupon returns fixed, thus interest rate risk is limited for the Company.

(ii). Foreign Currency Risk:

The company has no foreign currency exposures. Hence, there is no foreign currency risk.

(iii). Equity Price Risks:

Majority of the Company's investments are made into non-listed equity securities. Since there is no exposure into listed equity investments, the changes of equity securities price would not have a material effect on the profit or loss of the Company.

(b) Credit risk management

Credit risk is the risk that a customer or counterparty to a financial instrument fails to perform or pay the amounts due causing financial loss to the company.

S. No	Particulars	Balance As at 31st March, 2023	Accumulated Expected credit loss Amount
1	Loans / advances	2,164.62	2,142.46

(c) Liquidity Risk:

Liquidity Risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. The Company's management and finance department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by the senior management.

The following are the details regarding contractual maturities of significant financial liabilities:

Interest Accrued	9.60	-		-	9.60
Total	1,260.90	24,033.13		-	25,284.43

18.14 Compound Financial Instruments

In case of compound financial instruments, the entity recognizes separately the components of a financial instrument that;

(a) creates a financial liability of the entity, and;

(b) grants an option to the holder of the instrument to convert it into an equity instrument of the entity.

The initial carrying amount of a compound financial instrument is allocated to its equity and liability components, the equity component is assigned the residual amount after deducting from the fair value of the instrument as a whole the amount separately determined for the liability component.

INDEPENDENT AUDITORS' REPORT

To the Members of Gayatri Energy Ventures Private Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated Ind AS financial statements of Gayatri Energy Ventures Private Limited (hereinafter referred to as the "Holding Company") and its subsidiary (the Holding Company and its subsidiary together referred to as "the Group"), its associate which comprise the Consolidated Balance Sheet as at 31st March, 2023, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and notes to the Consolidated Ind AS financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of other auditors on separate financial statements and the other financial information of associate company, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its associates as at 31st March, 2023, and the loss and other comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group, its associate in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

Emphasis of Matter

(Note Nos. referred hereunder are with reference to respective notes forming part of consolidated Ind AS financial statements)

We draw member's attention to the following matters:

- (i) As stated in note 19.2, regarding the conversion of Compulsory Convertible Debentures (CCDs) to Optionally Convertible Debentures (OCD's) and redemption of the OCDs from the sale of investment held in NCCIHL via assignment agreement.
- (ii) As stated in note 19.7 regarding contract advances given which are long pending for recovery.
- (iii) As stated in note 19.19, regarding the recoverability of the investment made and the unsecured loan given to the subsidiary company, Bhandara Thermal Power Corporation Limited (BTPCL), wherein IDBI Bank, a lender of the Ultimate Holding Company, Gayatri Projects Limited (GPL), had issued SARFAESI notices and taken possession of the land held by BTPCL, in view of default of loan by GPL, as the said land was given as collateral for the loan taken by GPL. The said land has been sold by IDBI Bank under SARFAESI during the subsequent financial years and the effect of which shall be given in the subsequent financial years.

- (iv) As stated in the note no. 19.20, regarding the recovery of loan given to ultimate holding company i.e. Gayatri Projects Limited (GPI).

Our opinion is not modified in respect of the above matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the consolidated Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon:

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and analysis, Boards Report including annexure to Board's Report, Business responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Consolidated Ind AS financial statements and our auditor's report thereon.

Our opinion on the Consolidated Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. Other information so far as it relates to the associate, is traced from the financial statements / financial information audited by the other auditors.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated Ind AS financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in equity of the Group including its associates in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. The respective Board of Directors of the companies included in the Group and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of their respective company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

A handwritten signature in blue ink, consisting of a stylized 'W' followed by a long, sweeping horizontal line that extends to the right.

In preparing the consolidated Ind AS financial statements, the respective Board of Directors of the companies included in the Group and of its associate is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associate are also responsible for overseeing the Company's financial reporting process of the Group and its associate.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company and its subsidiary company, has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated Ind AS financial statements, including the disclosures, and whether the consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial statements / financial information of the entities within the Group and its associate' to express an opinion on the Consolidated Ind AS financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the Consolidated Ind AS financial statements of which we are the independent auditors. For the other entity / entities included in the Consolidated Ind AS financial statements, which have been audited by other

auditors, such other auditors remain responsible for the direction, supervision and performance of the audit conducted by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated Ind AS financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated Ind AS financial statements may be influenced. We consider quantitative materiality and qualitative factors in: (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated Ind AS financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated Ind AS financial statements of which are independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of one associate in which the share of Group's loss of ₹ 1,493.36/- lakhs included in consolidated Ind AS financial statements. This financial statements / financial information has been audited by other auditor whose audit report have been furnished to us by the management and our opinion on the consolidated Ind AS financial statements in so far as it relates to the amounts and disclosures included in respect of the associate and our report in terms of subsection (3) and (11) of section 143 of the Act, in so far as it relates to the associate, is solely based on such reports of the other auditors.

Our Opinion on the consolidated Ind AS financial statements, and our report on other legal and regulatory requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of other auditor and financial statements and other financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

- 1) As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, based on our audit and on the consideration of the audit report on separate financial statements and the other financial information of the associate companies, incorporated in India, we give in the "Annexure A" a statement on the matters specified in paragraph 3(xxi) of the Order.
- 2) As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of subsidiaries, associates, as noted in the 'Other Matter' paragraph we report, to the extent applicable, that

- a) We / the other auditors whose report we have relied upon have sought and obtained all the information and explanation, which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Ind AS financial statements.
- b) In our opinion, proper books of account, as required by law have been kept by the Company so far as it appears from our examination of those books and the reports of the other auditors.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other Comprehensive Loss), the Consolidated Statement of Changes in Equity and the consolidated statement of Cash Flow dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2015, amended.
- e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2023 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary and associate company incorporated in India, none of the directors of the group and its associate are disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and its associate incorporated in India and the operating effectiveness of such controls, refer to our separate Report in "Annexure- B" which is based on the auditors' reports of the holding company, subsidiary company and associate company. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial control over financial reporting of those companies, for reasons stated therein.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements as also the other financial information of the subsidiaries and associates, as noted in the 'Other matter' paragraph:
- i. The consolidated Ind AS financial statements disclose the impact of pending litigations on its financial position – Refer Note No. 40 to the consolidated Ind AS financial statements;
 - ii. The Group and its associate did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There are no amounts which were required to be transferred to the Investor Education and Protection Fund by the Group and its associate incorporated in India during the year ended March 31, 2023;
 - iv. a) The respective managements of the Holding Company and its subsidiaries, associates which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such associate company respectively that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or any of such subsidiaries, associates to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the respective Holding Company or any of such subsidiaries and associates ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The respective managements of the Holding Company and its subsidiaries, associates which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries, and associates respectively that, to the best of its knowledge and belief, no funds have been received by the respective Holding Company or any of such subsidiaries, associates from any person or entity, including foreign entities ("Funding Parties"), with the understanding,

Annexure - B to the Auditors' Report (Referred to in paragraph 2(f) under "Report on Other Legal and Regulatory Requirements" section of our main audit report)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated Ind AS financial statements of Gayatri Energy Ventures Private Limited ("the Holding Company") as of 31st March, 2023, we have audited the internal financial controls with reference to the consolidated Ind AS financial statements of the Holding Company and such companies incorporated in India under the Companies Act, 2013 which are its subsidiary companies, as of that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company, its subsidiary company, its associate company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated Ind AS financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to consolidated Ind AS financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated Ind AS financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated Ind AS financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated Ind AS financial statements included obtaining an understanding of internal financial controls with reference to consolidated Ind AS financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of the internal controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred in the other matter paragraph below is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated Ind AS financial statements.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control with reference to consolidated Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to consolidated Ind

A handwritten signature in blue ink, consisting of a stylized, cursive name.

AS financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls with reference to consolidated Ind AS financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated Ind AS financial statements to future periods are subject to the risk that the internal financial controls with reference to consolidated Ind AS financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and such companies incorporated in India which are its subsidiary company and its associate company, have, adequate internal financial controls with reference to consolidated Ind AS financial statements and such internal financial controls were operating effectively as at 31st March, 2023, based on the internal financial controls with reference to consolidated Ind AS financial statements criteria established by such companies considering the essential components of such internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Other Matter

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements in so far as it relates to one associate companies, which is company incorporated in India, is based on the corresponding report of the auditor of that associate company.

Our opinion is not modified in respect of this matter.

Note 1: Corporate information and Significant accounting policies

Corporate information

Gayatri Energy Ventures Private Limited is Private Company domiciled in India and incorporated under the provisions of the Companies Act, 1956, to invest in power projects/ power companies and enter into joint ventures by way of subscription to the shares, to carry on in India or elsewhere, the business to generate, receive, produce, improve, buy, sell, resell, to deal in electric power.

Significant accounting policies

a) Compliance with Ind AS

The Group's Consolidated Financial statements have been prepared to comply with generally accepted accounting principles in accordance with the Indian Accounting Standards (herein after referred to as "Ind AS") as notified by the Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act 2013 ("the Act") read with rule 3 of the Companies (Indian Accounting Standards) Rules 2015 and Companies (Indian Accounting Standards) Amendments rules 2016.

b) Basis of Preparation and Presentation of Financial Statements

The financial statements are prepared on accrual basis following the historical cost convention except in case of certain financial instruments which are measured at fair values. The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed under Schedule III to the Act. The Statement of Cash Flows has been prepared and presented as per the requirements of Indian Accounting Standard (Ind AS) - 7 on "Statement of Cash Flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the financial statements along with other notes required to be disclosed under the notified Ind AS and the Listing Agreement. Further, the guidance notes/announcements issued by the Institute of Chartered Accountants of India (ICAI) are also considered, wherever applicable. Accounting Policies have been consistently applied except where a newly issued Accounting Standard is initially adopted or a revision to an existing Accounting Standard requires a change in the accounting policy used previously.

Fair value for measurement adopted in these financial statements is determined on such a basis, except leasing transactions that are within the scope of Ind AS 17, Net Realizable value as per Ind AS 2 or value in use as per Ind AS 36. Fair value measurements under Ind AS are categorized as below based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety:

- *Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;*
- *Level 2 inputs are other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and*
- *Level 3 inputs are unobservable inputs for the asset or liability.*

c) Principles of Consolidation

The consolidated financial statements have been prepared on the following basis:

i. Investments in Subsidiaries:

The Financial Statements of the Company and its subsidiary companies have been consolidated on a line by line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances and intra-group transactions resulting in unrealized profits or losses as per Indian Accounting Standard - 110 "Consolidated Financial Statements" issued by Institute of Chartered Accountants of India

ii. Investments in Associates:

Investments in associate companies have been accounted for, by using equity method prescribed in Indian Accounting Standard - 28 "Accounting for Investments in Associates in Consolidated Financial Statements", whereby investment is initially recorded at cost and the carrying amount is adjusted thereafter for post-acquisition change in the Company's share of net assets of the associate. The carrying amount of investment in associate companies is reduced to recognize any decline which is other than temporary in nature and such determination of decline in value, if any, is made for each investment individually. The unrealized profits/losses on transactions with associate companies are eliminated by reducing the carrying amount of investment.

d) Use of Estimates

The preparation of financial statements in conformity with Ind AS requires the management of the Group to make estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as on the date of the financial statements. Actual results may differ from these estimates. The Group evaluates these estimations and assumptions on a continuous basis based on the historical experience and other factors including expectation of future events believed to be reasonable. Examples of such estimates include the useful lives of tangible and intangible fixed assets, allowance for doubtful debts/advances, future obligations in respect of retirement benefit plans, estimation of costs as a proportion to the total costs, etc., Difference, if any, between the actual results and estimates is recognized in the period in which the results are known/ materialized. Changes in estimates are reflected in the financial statements in the period in which changes are made and if material, are disclosed in the notes to accounts.

Information regarding assumptions and estimations in applying these accounting policies that have an effect to the carrying amount of the assets and liabilities are included in the following notes

e) Revenue Recognition

i. Revenue from Operations:

Revenue from operations includes profit on sale of investments.

ii. Other Income

Interest income is accounted on accrual basis as per applicable interest rates and on time proportion basis taking into account the amount outstanding.

f) Property, Plant and Equipment

Property, Plant and Equipment are stated at cost of acquisition, less accumulated depreciation thereon. Expenditure which are capital in nature are capitalized at cost, which comprise of purchase price (net of rebates and discounts), import duties, levies, financing costs and all other expenditure directly attributable to bringing the asset to its working condition for its intended use.

Any gain/loss on the disposal of the Property, Plant and Equipment is recognized in the Statement of Profit & Loss and is determined as the difference between the sales proceeds and the carrying amount of the asset.

g) Capital work in progress

Property, Plant and Equipment which are purchased but not yet installed and not ready for their intended use on the date of balance sheet are disclosed as "Capital Work-in-Progress". Cost of materials used in the process of erection/installation of an asset but not yet completed as on the reporting date are also disclosed as "Capital Work-in-Progress".

h) Depreciation and amortization

In respect of Property, Plant and Equipment (other than Land and Capital Work in Progress), depreciation / amortization is charged on a straight-line basis over the useful lives as specified in Schedule II to the Companies Act 2013.

Assets individually costing ₹ 5,000/- or less and temporary structures are fully depreciated in the year of acquisition.

The residual values and useful lives are reviewed at the end of the reporting period.

i) Impairment of Non-Financial Assets

At each Balance Sheet date, the Group assesses whether there is an indication that a non-financial asset may be impaired and also whether there is an indication of reversal of impairment loss recognized in the previous periods. If any indication exists, or when annual impairment testing for an asset is required, the Group determines the recoverable amount and impairment loss is recognized when the carrying amount of an asset exceeds its recoverable amount.

Recoverable amount is determined:

In case of an individual asset, at the higher of the assets' fair value less cost to sell and Value in Use; and

In case of a cash generating unit (a group of assets that generates identified, independent cash flows), at the higher of cash generating unit's fair value less cost to sell and Value in Use.

In assessing Value in Use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specified with the asset. In determining fair value less cost to sell, recent market transactions are taken into account. If no such transaction can be identified, an appropriate valuation model is used.

Impairment losses of continuing operations, including impairment on inventories, are recognised in the Statement of Profit and Loss, except for properties previously revalued with the revaluation taken to Other Comprehensive Income (OCI). For such properties, the impairment is recognised in OCI up to the amount of any previous revaluation. When the Group considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognized, then the previously recognized impairment loss is reversed through the Statement of Profit and Loss.

j) Financial Instruments

Financial Assets and Financial Liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial Assets and Financial Liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of Financial Assets and Financial Liabilities (other than Financial Assets and Financial Liabilities at fair value through profit or loss) are added to or deducted from the fair value of the Financial Assets or Financial Liabilities, as appropriate, on initial recognition.

k) Financial Assets

Financial Asset is any Asset that is -

(a) Cash

(b) Equity Instrument of another Entity,

(c) Contractual right to -

i) receive Cash / another Financial Asset from another Entity, or

ii) exchange Financial Assets or Financial Liabilities with another Entity under conditions that are potentially favourable to the Entity.

Investment in Equity Shares issued by Subsidiary, Associate are carried at cost less impairment.

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Company has made an irrevocable election for its investments, other than those stated above, which are classified as equity instruments to present the subsequent changes in fair value in other comprehensive income based on its business model. Further, in cases where the Company has made an irrevocable election based on its business model, for its investments which are classified as equity instruments other than those stated above, the subsequent changes in fair value are recognized in other comprehensive income.

A financial asset which is not classified in any of the above categories is subsequently fair valued through profit or loss.

l) Impairment of Financial Assets

In accordance with Ind AS 109, the Company applies the expected credit loss ("ECL") model for measurement and recognition of impairment loss on financial assets and credit risk exposures. The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. Simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition. For recognition of impairment loss on other financial assets and risk exposure, the Company determines whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12-month ECL. ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date. ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the Statement of Profit and Loss.

m) Financial Liabilities

Financial liabilities are recognized at fair value net of transaction costs and are subsequently held at amortized cost using the effective interest rate method.

Financial liabilities carried at fair value through profit and loss are measured at fair value with changes in fair value recognized in the Statement of profit and loss.

In case of compound financial instruments, the entity recognises separately the components of a financial instrument that (a) create a financial liability for the entity and (b) grants an option to the holder of the instrument to convert it into an equity instrument of the entity.

The initial carrying amount of a compound financial instrument is allocated to its equity and liability components, the equity component is assigned with the residual amount after deducting from the fair value of the instrument as a whole, the amount separately determined for the liability component.

Transaction costs that relate to the issue of a compound financial instrument are allocated to the liability and equity components of the instrument in proportion to the allocation of proceeds.

Debentures issued are measured at amortized cost using the effective interest rate method.

For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate the fair value due to the short maturity of these instruments.

n) De-recognition of Financial Instruments

A Financial Asset is derecognized when the right to receive cash flows from the asset has expired or the company has transferred substantially all the risks and rewards or the right to receive the cash flows under a contractual arrangement or has transferred the asset.

A Financial Liability is derecognized when the obligation under the liability is discharged or cancelled or expires. In the case where the existing liability is replaced by another liability either from the same lender or otherwise such an exchange is treated as de-recognition of the original liability and recognition of a new liability. Any change in the carrying amount of a liability is recognized in the Statement of Profit and Loss.

o) Borrowing Costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are those that necessarily take a substantial period of time to get ready for their intended use or sale.

Income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs that is eligible for capitalisation.

Other borrowing costs are expensed in the period in which they are incurred.

p) Earnings Per share

Basic earnings per equity share is computed by dividing the net profit attributable to the equity shareholders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity

shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

q) Provisions and Contingent Liabilities

- i. A provision is recognized if, as a result of a past event, the company has a present legal or constructive obligation that can be reasonably estimated, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.
- ii. Contingent Liabilities are present obligations arising from a past event, when it is not probable or the probability is remote that an outflow of resources will be required to settle the obligation and they are not recognized but are disclosed in the notes forming part of the financial statements.

r) Taxes

Income tax expense is recognized in the statement of profit and loss except to the extent that it relates to items recognized directly in equity, in which case, it is recognized in other comprehensive income. The income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted as on the balance sheet date.

s) Statement of Cash Flows

Statement of Cash Flows is prepared by segregating the cash flows from operating, investing and financing activities. Cash flow from operating activities is reported using the indirect method. Under the indirect method, the net profit is adjusted for the effects of:

- i. transactions of a non-cash nature;
- ii. any deferrals or accruals of past or future operating cash receipts or payments;
- iii. items of income or expense associated from investing or financing cash flows; and
- iv. Cash and cash equivalents (including bank balances) are reflected as such in the Statement of Cash Flows.

t) Cash and Cash Equivalents

Cash and cash equivalents include cash, bank balances, fixed deposits and margin money deposits.

u) Commitments

Commitments are future liabilities for contractual expenditure.

Commitments are classified and disclosed as follows:

- i. Estimated amount of contracts remaining to be executed on capital account and not provided for;
- ii. Uncalled liability on shares and other investments partly paid;
- iii. Funding related commitment to subsidiary, associate and joint venture companies and
- iv. Other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management.
- v. Other commitments related to sales/procurements made in the normal course of business are not disclosed to avoid excessive details.

v) Foreign Currency Transactions and Translation

The reporting currency of the Group is Indian Rupee. Foreign Currency Transactions are translated at the functional currency spot rates prevailing on the date of transactions.

Monetary assets and current liabilities related to foreign currency transactions remaining unsettled are translated at the functional currency spot rates prevailing on the balance sheet date. The difference in translation of monetary assets and liabilities and realized gains and losses on foreign exchange transactions are recognized in the Statement of Profit and Loss.

Non-monetary foreign currency items are carried at historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

19.1 Employee Benefits

The Company has no liability for employee benefits, in accordance with the provisions of Ind AS – 19 “Employee Benefits”. Hence, no provision has been made in the books of accounts.

19.2 During the year on 28/12/2022, the company was required to convert 16,19,928 Compulsory Convertible Debentures (CCDs), issued to NCC Infrastructure Holdings Limited (NCCIHL) into equity shares (1:1) within a period of five years of the company as per the terms of the Share Purchase Agreement (SPA). However, due to unforeseen circumstances and pending legal compliances, the conversion could not be completed within the stipulated timeline and the debentures were due as at 31/03/2023. During the Financial year 2023-24 based on mutual discussions with the debenture holder, the subsidiary company had restructured the CCD'S to 0.01% Optionally Convertible Debentures (OCD's) with a redemption price of ₹ 1483 per debenture or to convert into 16,19,928 equity shares of the company at a Face Value of ₹ 10 per share as per conversion ratio of 1:1. The debenture holder and the company had agreed for redemption of the debentures and pursuant to the same the company had sold its investment held in NCCIHL of ₹ 28,969.35 Lakhs to NCC Limited for ₹ 24,023.53 Lakhs thereby incurring a loss of ₹ 4,945.82 lakhs on sale of Investment. Further based on assignment agreement between the subsidiary company, NCC, NCCIHL, the amount receivable from NCC Limited pursuant to the sale of the investment of ₹ 24,023.53 lakhs was assigned towards the redemption of OCD held by NCCIHL of ₹ 24,023.53 Lakhs. Further the interest accrued on the said debentures was waived by NCCIHL. As stated above, the impact of the same shall be recognized in the financial year 2023-24.

19.4 During the preceding financial years, the company had made an investment/ advance/ share application money to Jinbhuvish Power Generation Private Limited (“JPGPL”) which had planned to set up a coal-based power plant in Maharashtra and as at 31st March, 2023 the total amount infused in the form of investment/advance/share application money is ₹ 5,544.45 lakhs. The Company had decided to exit from the said power project and in this regard entered into an Exit Agreement, which was subsequently amended by various letter agreements. As there is a significant delay in exiting from the above company, the management has written off / provision for credit loss the amounts invested in the said company. Further, the holding company of the company has provided Bank Guarantee in favor of Western Coalfields Limited (“WCL”) on behalf of JPGPL towards coal linkage / allotment to the proposed power plant. WCL has encashed the bank guarantee on 05.04.2022 for ₹ 2,421.10 lakhs which in the opinion of the management of the company & holding company is completely illegal and grossly incorrect. The company is in the process of taking proper legal recourse against the purported and unusual act of the said WCL. However, the management as a matter of prudence has made a provision of the entire BG amount encashed in the financial statements for the year ended 31st March, 2023.

- 19.5 During the financial year 2022-23, the company's right to exercise call option for purchase of additional shares in Sembcorp Energy India Limited (SEIL) has expired and accordingly the fee paid for the same was written off. Further based on agreements entered during the previous years the company is in discussions with SEIL for finalizing the earnouts receivable if any from sale of shares held in SEIL in view of "liquidity event" and as at 31st March 2023 the discussions are ongoing.
- 19.6 Contracts remaining to be executed on capital account as on 31st March, 2023 are ₹9003.00 lakhs. (Previous Year ₹9003.00 lakhs).
- 19.7 During the preceding financial years, the subsidiary company had given Contract Advance of ₹2,155.05/- lakhs to Indira Energy Holdings Private Limited (the Contractor) towards execution of road and site development works at proposed Thermal Power Project site. As the company had not handover the complete land as required for the development of the project due to various reasons, pending coal allotment and pending financial closure, etc., the contractor has not commenced the road and site development works at the instructions of the company and the recovery of the advance given to the contractor is pending as at the balance sheet date. The management of the company considering the nature of advances and the long pending recovery of the same has provided an amount of ₹1,083.61/- lakhs as Expected Credit Loss (ECL) during the previous financial years and is in the process of estimating if any further ECL/provision is to be made regarding the said Contract Advance. However, the management is confident of recovering the entire advance given to the contractor based on value of the monetary assets available with the contractor.
- 19.8 In the absence of profits, the Company has not created Debenture Redemption Reserve as stipulated in the Companies Act, 2013.

19.11 Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Company. The Company strives to safeguard its ability to continue as a going concern so that they can maximize returns for the shareholders and benefits for other stake holders. The aim is to maintain an optimal capital structure and minimize the cost of capital.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may return capital to shareholders, issue new shares or adjust the dividend payment to shareholders (if permitted). Consistent with other entities in the industry, the Company monitors its capital using the gearing ratio which is total debt divided by total equity.

19.13 Financial risk management objectives and policies

The Company's activities expose it to a variety of financial risks like market risk, credit risk and liquidity risks. The Company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

(a) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk. Major financial instruments affected by market risk, includes loans and borrowings.

(i). Interest rate risk

Majority of the Non-current (Long Term) borrowings of the Company bear fixed interest rate with coupon returns fixed, thus interest rate risk is limited for the Company.

(ii). Foreign Currency Risk:

The company has no foreign currency exposures. Hence, there is no foreign currency risk.

(iii). Equity Price Risks:

Majority of the Company's investments are made into non-listed equity securities. Since there is no exposure into listed equity investments, the changes of equity securities price would not have a material effect on the profit or loss of the Company.

(b) Credit risk management

Credit risk is the risk that a customer or counterparty to a financial instrument fails to perform or pay the amounts due causing financial loss to the company. Credit risks arise from company's activities in investments. The company has a prudent and conservative process for managing its credit risk arising in the course of its business activities. During the FY 2022-23, the Group has provided expected credit loss as detailed below:

S.no	Name of the Company	Nature of Amount	₹ in lakhs	Provision for Credit loss ₹ in lakhs
------	---------------------	------------------	------------	---

1.	Jinbhuvish Power Generation Private Limited	Share Application Money Given Pending for Allotment	1,544.46	1,544.46
2.	Jinbhuvish Powertech Private Limited	Advance for Purchase of Equity Shares	1,000.00	1,000.00

(c) Liquidity Risk:

Liquidity Risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. The Company's management and finance department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by the senior management.

The following are the details regarding contractual maturities of significant financial liabilities:

19.14 Compound Financial Instruments

In case of compound financial instruments, the entity recognizes separately the components of a financial instrument that;

(a) creates a financial liability of the entity, and;

(b) grants an option to the holder of the instrument to convert it into an equity instrument of the entity.

The initial carrying amount of a compound financial instrument is allocated to its equity and liability components, the equity component is assigned the residual amount after deducting from the fair value of the instrument as a whole the amount separately determined for the liability component.

- 19.19 *Bhandara Thermal Power Corporation Limited (BTPCL), a wholly owned Subsidiary Company incorporated to build, own and operate coal-fired power plant in India in which the Company had invested Equity Share Capital of ₹ 495.78/- lakhs and also infused an unsecured loan of Rs ₹ 8,598.05/- lakhs as at 31st March 2023. The subsidiary company had proposed the construction of power plant in Bhandara district of Maharashtra, India and acquired 622.93 Acres of land, but the said construction of power plant has not commenced due to various factors such as pending coal allotment, pending clearances & approvals from various authorities, delay in acquisition of complete land required for the project due to local factors., etc. The management of the company is in the opinion of not to proceed with the construction of the project by analysing the macro-economic conditions, future outlook and cost revenue feasibility of thermal power projects and other factors. The said land was pledged/given collateral towards loan obtained by Gayatri Projects Limited (GPL) (Ultimate Holding Company), and as GPL had defaulted in repayment of its loans, IDBI bank has issued SARFARESI notices to the company and GPL, for recovery of the loan amounts due. Based on the information available with the company, during the FY 2025-26, IDBI Bank had sold the land via SARFARESI and accordingly effect of the same shall be given in the subsequent financial year.*
- 19.20 *During the previous financial year, the company had advanced an interest-free loan of Rs. 2,231.05 Lakhs to its ultimate holding company, Gayatri Projects Limited (GPL). During the current financial year, GPL was admitted to the Corporate Insolvency Resolution Process (CIRP) vide order dated 15/11/2022, and a resolution professional was appointed. However, the promoters of GPL filed an application under Section 12A of the Insolvency and Bankruptcy Code, 2016 (IBC), which was subsequently approved, leading to the withdrawal of the CIRP proceedings. Based on this development and other information available, the company is confident of recovering the said advance and, accordingly, believes that no provision for diminution or impairment in the carrying value of the loan is required for the year ended 31st March, 2023.*
- 19.21 *Additional Regulatory Information as required by Schedule III of the Companies Act, 2013:*
